Autocad, the AutoCAD®program, is a powerful and comprehensive system for designing 2D and 3D computer-aided drafting (CAD) models and other geometry. AutoCAD is available in several different languages, including English, French, Spanish, German, Chinese, and Japanese. . The Daily Crime and Fire Log lists crimes, alleged crimes and fire incidents that occur on campus, areas immediately adjacent to campus, as well as off-campus . Jan 25, 2005 Lissa Russell, 52, a former employee of the MSP, was sentenced today in U.S. District Court for the District of Kansas to 24 months in prison for stealing more than \$240,000. Sanders further ordered that Russell be placed on three years of supervised release upon her release from prison, and she must pay restitution of \$240,585.64.. A Kansas City-based law firm, McCullough, Wareheim, & Rice, was named the legal advisor for the U.S. Attorney's Office. According to court records, Russell operated her own business, Advanced Bodies, Inc. "My defense is that she stole from the company," said Curtis Gilliland, founder of Advanced Bodies. "She was never in charge of it." The stolen funds went into the company's bank account to pay for product inventory, employee payroll, and vendor bills. Russell used the company's assets and credit card information, including purchases for nearly 1,000 cell phones, computers and gift cards. Russell sent more than \$300,000 in cash to family members and friends in Texas and Mexico, according to court documents... "I'm disappointed that there's a life sentence," Gilliland said. "The money she stole was used in Kansas City. She's got to make restitution to the people who were hurt. It's a shame the lady has a mental condition." Gary Woelfel, the assistant U.S. attorney in charge of the case, said Russell was involved in the commission of mail fraud. Also sentenced
